

‘The Grove’ luxury development by Pafilia: Pafos’ new enchanting getaway

Pafilia Property Developers proudly announces the launch of ‘The Grove’, a project with a distinct Mediterranean character, perfectly fusing local charm with modern elegance and luxurious finishes, to provide an idyllic and serene getaway in the verdant Pafos countryside.

Amidst citrus plantations and orchards in an area surrounded by traditional villages, and just a stone’s throw from the stunning coastline and the Pafos town hub, ‘The Grove’ offers residents the very best of both worlds. While the rural setting of the project ensures tranquility and seclusion, residents can take full advantage of the close proximity to cosmopolitan Pafos, with its wealth of amenities and conveniences.

Further expanding Pafilia’s portfolio of impressive properties in the region, Cyprus’ largest privately-owned residential developer is renowned for its pioneering approach, combining cutting-edge architecture and contemporary design. Drawing on 40 years of excellence, Pafilia has been the driving force in the growth of the region's real estate, and a key contributor to the local economy.

Pafilia’s Sales Director, Simos Simillides, stated: *“Encapsulating Pafos’ natural beauty and charm, ‘The Grove’ offers a unique setting for clients seeking a getaway home with Mediterranean ambience. Moreover, it further expands our portfolio of innovative landmark projects that set a benchmark for the real estate industry in Cyprus, and reiterates our commitment to consistently delivering market-led high-quality products with luxurious finishes. Designed to perfectly meet client needs - in terms of location, quality, and style - the development provides a secure and prime investment opportunity.”*

Surrounded by landscaped gardens, ‘The Grove’ comprises 9 private three-bedroom villas and 27 townhouses. The contemporary designs harness natural light, ensuring contemporary airy living spaces, while each villa opens out to an elegant terrace and private garden that overlooks the pool and communal gardens.
