

ONE receives first prize at European Property Awards

ONE, a flagship development of Pafilia Property Developers received the prestigious Five Star award for ONE in the best Residential High-Rise Development category at the European Property Awards 2016-2017, which were held at the Marriott Grosvenor Square in London on 26th October.

The pioneering development which will be located on Limassol's coastal boulevard is set to become the tallest residential seafront tower in Europe. At 170m, the monumental height of ONE will redefine the Limassol skyline and become a beacon of progress for the city and island as a whole.

ONE has been conceived and designed by Pafilia and world-renowned master planning, architecture, engineering and interior design firms Atkins, WKK, Burohappold and HBA.

The European Property Awards, in association with The Telegraph, is the regional event of the International Property Awards, rewarding excellence and celebrating the highest levels of achievement by companies operating in all sectors of the property and real estate industry in Europe.

'An International Property Award is a world-renowned mark of excellence. The five star award received by ONE, represents one of the most reputable accreditations in the industry, it recognises that ONE is the best premium development in Cyprus.' Michelle Taliotou, Marketing Manager
